

Lisa Kelley

ADVISOR | MENTOR | SPEAKER

MEET LISA

Lisa's career began in Telecom over 25 years ago as a Corporate Trainer and then advanced quickly into a Senior level Sales Executive. For the next 10 years she cultivated her skills by overseeing multi-million-dollar deals with top Fortune 50 companies like Bank of America, PepsiCo, Dupont and major municipalities. During this time, she developed strategic business consulting skills, assisted her clients in building new profit centers, streamlined departments and affected bottom line ROI's. She worked directly with C-level executives and board of directors. After leaving corporate America, she spent the next 10 years as Partner & CEO of her own digital creative agency. She took her training and teaching skills along with a natural stage presence and became an International Speaker and Global Business Advisor on Business Growth, Branding and Marketing. She has a passion for educating others and has stayed true to herself by being a catalyst for success to those who need it! To this day her teachings are in use by various Universities.

SPEAKING

Speaking in front of audiences comes natural to Lisa. She has a passion for teaching, has great stage presence and knows how to command a room. Over the years, Lisa has shared the stage with wonderful speakers like Dan Clark, Les Brown, Marianne Williamson; to name a few.

There is nothing more gratifying to Lisa than to have someone approach her after a talk and say;

"I got the best idea hearing you speak and I can't wait to execute it!"

Lisa shares powerful tools to assist individuals discover their authentic selves, set and keep boundaries, dissolve their self-sabotaging habits and help them step into creating a sustainable business that they love and create successful Branding and Marketing Strategies. Lisa has been setting the standards in this area for over 12 years.
